## Description

### **21.08m Monte Carlo MCY 70 motor yacht for sale.**

This 21.08m MONTE CARLO MCY 70 motor yacht for sale, was delivered in 2020. Key features are one Owner since new, low hours, professionally maintained and boasting a berth management possibility in Ibiza, Balearic Islands, Spain.

This MONTE CARLO YACHT MCY 70 combines sleek and contemporary design by Nuvolari & Lenard, with cutting-edge technology and top-quality materials like Kevlar and carbon fiber. Its distinctive style, harmonious lines, and sophisticated finishes make it a true masterpiece on the water.

The level of maturity achieved by Monte Carlo Yachts is clearly expressed through wide internal spaces, impressive panoramic views, engineering solutions that have reached new levels of achievement, and design ideas that have been tailored to offer Owners well-being and comfort.

The MONTE CARLO MCY 70 yacht is thought, designed and built to stand the test of time and go beyond trends and fads that come and go. New standards of luxury are constantly being established and that responsibility, sustainability and personality are increasingly important for yards building in timeless style. At the Italian MCY yard, they rose to the challenge of building each and every one of their motor yachts to be the best expression of luxury today and tomorrow.

With spacious interiors designed for maximum comfort, stunning panoramic views, and advanced engineering solutions, this MONTE CARLO MCY 70 yacht offers an unparalleled sailing experience. This particular model reflects the ultimate expression of luxury, exclusivity, and comfort, adapting to the demands of the most discerning Owners.

This flybridge yacht offers well-appointed and versatile accommodation for 8 guest in 4 cabins and 3 bathrooms. While the Master cabin has her private stairwell and en-suite bathroom, the VIP and two twin cabins are located forward through a second stairwell.

Thanks to a highly manoeuvrable Joystick control, this MONTE CARLO 70 is powered by twin 1200 Hp MAN diesel engines, reaching a top speed of 28 knots and comfortably cruising at 22 knots.

A comprehensive list of options is fitted this yacht including a hydraulic lifting swim platform, T-top, gyroscopic zero speed and underway stabilizer, bow and stern thrusters, larger generator and plenty of upgrades.

Don't miss the opportunity to acquire this gem of the sea. Contact us for more information or an inspection onboard.
